JO CALIENTE

THESE Celebrated Hot Springs are located in the midst of the Ancient Cliff Dwellers, twenty-five miles west of Taos, and fifty miles north of Santa Fe, and about twelve miles from Barranca Station on the Deaver & Rio Grande Railway, from which point a daily line of stages run to the Springs. The temperature of these waters is from 30° to 122°. The gases are carbonic. Altitude 6,000 feet. Climate very dry and delightful the year round. There is now a commodious hotel for the convenience of invalids and tourists. These waters contain 1695,24 grains of alkaline sails to the gallon; being the richest Alkaline Hot Springs in the world. The efficacy of these waters has been thoroughly tested by the miraculous cures attested to in the following diseases:—Paralysis, Rheumatism, Neuralgia, Consumption, Malaria, Bright's Disease of the Ridneys, Syphilitic and Mercurial Affections, Serofula, Catarrh, La Grippe, all Female Complaints, etc., etc. Board, Lodging and Bathing, \$2.50 per day. Reduced rates given by the month. This resort is attractive at all sensons and is open all winter. Passengers for 0jo Caliente can leave Santa Fe at 10:98 a. m. and reach 0jo Caliente at 5 p. m. the same day. Fare for the round trip from Santa Fe to 0jo Caliente, \$7. WHEAT SOARS AGAIN.

May Delivery Closed at \$1.75 Per Bushel —July Advanced 13 7-8 Cents.

Chicago, May 9 .- Wheat today on the board of trade touched \$1.21 a bushel for July, active option, and closed within % of a cent of top, at the advance of 13% cents. May closed at highest point of session, \$1.75, a net gain of 8 cents. A sensational advance in Liverpool, equal to 12 cents a bushel in July wheat, was apparently the sole cause of the excitement.

Patent Case Decided by Supreme Court. Washington, May 0. - The United States Supreme court today decided the case of the Boyden Power Brake com-pany vs. The Westinghouse company, holding there had been no infringement on the patent held by the Westinghouse company by the Boyden company.

Be Given Rank of

. Fortifications Bill in

... Presidential Ap-

pointments.

W. nington, May 9.-The president

today sent the following message to con-

the harbor of Manila at daybreak on

the 1st day of May and immediately en-gaged the entire Spanish fleet, 11 ships,

which were under the protection of the fire of the land forces. After a stubborn

fight, in which the enemy suffered great loss, these vessels were destroyed or

completely disabled and the water bat-teries at Cavite silenced. Of our brave officers and men not one was lost and

only eight injured, and those slightly.
All our ships escaped serious damage.
"By the 4th of May Commodore Dewey had taken possession of the naval station at Cavite, destroying the fortifications there and at the entrance of the bay and paroling their garrisons. The waters of the bay are under his complete.

waters of the bay are under his complete control. He established hospitals with-n the American lines, where 250 Span-

ish sick and wounded are being assisted

ing any material advantage is the moral effect of this initial success. At this un-

surpassed achievement, the great heart of our nation throbs, not with boasting

or with triumph or greed of conquest, but with deep gratitude of this outcome of our just cause and that by the grace

of God an effective step has thus been taken toward the attainment of wished-

for peace. To those whose skill, courage and devotion won the fight, to the

gallant commander and brave officers and men who aided him, our country

"Feeling as our people feel and speak-ing in their name, I at once sent a mes-

sage to Commodore Dewey, thanking him and his officers and men for their splen-

did achievement and overwhelming vic-tory, and informing him I had appoint-

wes an incalculable debt.

Admiral.

ed him acting rear admiral.

"I now recommend that following our national precedents and expressing the national precedents and expressing the fervent gratitude of every patriotic heart, the thanks of congress be given to Acting Rear Admiral Dewey, of the fired on by soldiers. Fourteen people that a surrender of Manila be demanded and a provisional government for the Philippines be established, pending the settlement of the war with Spain. His proposal is for a commission to United States navy, for highly distinguished conduct in conflict with the enemy and to the officers and men under is command for their gallantry in the destruction of the enemy's fleet and the ports show that 12 men capture of the enemy's fortifications in 50 wounded at Linares. the bay of Manila.
(Signed) "WILLIAM MCKINLEY."

Resolution of Thanks Passed,

The resolution of thanks to Admiral Dewey and to the officers and men under him, has passed the senate and house unanimously. It was introduced by Chairman Boutelle of the naval comments for Rear Admiral Dewey from the

Resolved, That in pursuance of the recommendation, the president has made in accordance with the provisions of section 158, Revised Statutes, the thanks of congress and the American people are hereby tendered to Commodore George Dewey, United States navy, commander in chief of the Asiatic squadron, for highly distinguished conduct in conflict with the enemy as displayed by him in the destruction of the Spanish fleet and batteries in the harbor of Manila, Philippine islands, May 1, 1898. Section 2. That the thanks of congress and of the American people are hereby extended through Commodore Dewey to the officers and men under his command, for gallantry and skill ex-

hibited by them on that occasion.

Section 3. Be it further resolved.

That the president of the United States be requested to cause this resolution to nmunicated to Commodore Dewey and through him to the officers and men

Dewey's Promotion.

The house and the senate have passed a bill increasing the number of rear admirals, thus making provision for the promotion of Commodore Dewey.

The resolution and bill as presented n the senate and the house were iden-

. It's Now Admiral Dewey.

The house resolution thanking Admiral Dewey was passed by the senate. This was necessary in order that both houses might act on the same resolution. The senate then passed the house resolution creating the grade of a rear admiral for Admiral Dewey. It now goes to the president.

Free Silver More Important, Than Needs of Country.

Senator Jones (Nevada) has indicated that he will oppose the bond provision in the war revenue bill. It will be stricken out in the committee and a fight be made in the senate to re-insert

Senator Lodge has presented and the ing the president to present a sword to Admiral Dewey and medals to the officers and men under him who were in the battle of Manila. It appropriates \$10,000 for this purpose.

Mail Facilities for the Army.

The senate passed the bill providing for mail facilities in the army. Will Feed and Arm Cube

The house passed the senate bill authorizing the army to feed the Cubans and arm the people in Cuba. Representative Dockery (Dem.) introduced a joint resolution proposing a recess of congress from June 6 until July 9.

TUMOR EXPELLED.

Unqualified Success of Lydia E. Pinkham's Vegetable Compound.

Mrs. ELIZABETH WHEELOCK, Magnolia, Iowa, in the following letter describes her recovery from a very critical condition:

"DEAR MRS. PINKHAM:-I have been taking your Vegetable Compound, and am now ready to sound its praises. It has done won-

ders for me in relieving me of a tumor. "My health has been poor for three years. Change of life was working upon me. I was very much bloated

and was a burden to myself. Was troubled with smothering spells, also palpitation of the heart and that bearing-down feeling, and could not be on my feet much.
"I was growing worse all the time,

until I took your medicine.
"After taking three boxes of Lydia
E. Pinkham's Vegetable Compound Lozenges, the tumor passed from me.
"My health has been better ever since, can now walk quite a distance and am troubled no more with palpitation of the heart or bloating. I recommend your medicine to all sufferers

from female troubles." It is hardly reasonable to suppose that any one can doubt the efficience of Mrs. Pinkham's methods and med cine in the face of the tremendous vol-
